Manufacturer:

Nortek AS, Vangkroken 2, N1351 RUD, Norway
Telephone: +47-67174500, Fax: +47-67136770

The manufacturer hereby declares that **Signature 1000**:

1. is designed for use in *residential/industry environment*, and is designed and produced to comply with the council directive of 2014/30/EU relating to Electromagnetic Compatibility.

The product has passed the following tests according to EN61000-6-2:2005 and EN 61000-6-3:2007/A1:2011/AC:2012

Conducted Emission
Radiated Emission
Voltage flicker
Harmonic current
Conducted Radio Frequency Immunity
Radiated Electromagnetic Field Immunity
Fast Low Energy Transients /Bursts
Slow High Energy Transients / Surges
Voltage Dips & Interruptions
Electrostatic Discharge
Power-Frequency Magnetic Field

This is practically similar to the US FCC 15 part A in US.

2. is designed according to RoHS II directive 2011/65/EU. (Exemption for piezoelectric materials and soldering of ultrasonic transducers (annex IV, 14-15)).
3. is tested in a Salt fog test chamber according to IEC60068-1 and IEC60068-2-11. (Done on Signature 55/250).

The mark shown to the left is in compliance with the Waste Electrical and Electronic Equipment Directive 2012/19/EU (WEEE). This symbol indicates the requirement NOT to dispose the equipment as unsorted municipal waste, but use the return to collection systems according to local law or return to the Nortek facilities. (Address above).

Relevant plastic parts on the product is market for end of life recycling.

Nortek AS and Nortek BV is a NS-EN ISO 9001:2008 certified company, Certificate no: 1480-2007-AQ-NOR-NA. Certified by DNV-GL.

Signed 2016 on behalf of Nortek AS:
Development Manager: Morten Jørgensen
