

Nortek is an international instrumentation company, located near Oslo, Norway. We design, develop, manufacture and sell underwater acoustic products for scientists and engineers in more than 90 countries.

We provide innovative, robust, and accurate instruments, backed up by advanced software and comprehensive support to ensure customers maximize value from their measurements.

The engine that drives Nortek is its multi-talented, global team, comprised of people who are experts in their field. A world-class design and development group, a client-facing sales team with direct technical industry experience, and a spirited support and production team define our ability to serve as well as collaborate with our customers.

The company is privately held and has about 115 employees at eight subsidiaries in the US, UK, France, Netherlands, China, Japan, Australia and Brazil.

## Full Time Technical Sales Engineer

Nortek UK is looking for a motivated and independent Technical Sales Engineer based in Southampton, UK. Your job role will involve working with customers to help them find the right solutions for their projects, providing quotes and after sales support, presenting at conferences and exhibitions, and supporting the UK sales team.

Training will be provided, although some experience in a similar job role is preferred but not essential. Pay and remuneration is competitive. Parking is available on site, and there are good public transport links nearby. We offer flexible working arrangements with a balance between working from home and from the office.

<b>Employer</b>	Nortek
<b>Position title</b>	Full Time Technical Sales Engineer
<b>Job type</b>	Permanent position
<b>Location</b>	Southampton, UK
<b>Deadline</b>	5th October 2020
